RE: Budget

DATE: June 30, 2009

Colleagues,

At last, the Indiana General Assembly passed a budget for Fiscal Years 2009-2011. Since the legislature met the deadline, please report to work on Wednesday, July 1 as you normally would.

Although the Indiana Department of Correction played no role in the circumstances surrounding the budget's uncertainty and discussion of state employee furloughs, I sincerely regret if the situation has caused you or your family any undue stress or worry.

As always, I am proud of my association with you all. Thank you for everything you do for the agency and the State of Indiana.
